Docket No. 98N-1265
Food and Drug Administration
4440 '99 MAY 19 P 4606 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My right to get my prescriptions where ever I choose should NOT be taken from me. As it is I have to pay more because my Insurance does not believe in natural medications, I am willing to pay the extra, but it is not fair - Don't let the Drug Co's run what they want!
